

CHECKLIST 2
Final validation of the ECTS credits

Please forward to your program coordinator the documents for validation of courses, seminars, conferences or workshops at any time during your thesis but no later than at least four weeks before the deposit of the thesis manuscript (for the oral private exam).

PhD Student's name:

Documents concerning the following events:

1.
2.
3.
4.
5.
6.
7.
8.
9.
10.

Date :

PhD Student's signature :

PhD program; documents to validate ECTS include:

- For the tutorials: email you received from the Doctoral School confirming you were successful.
- For courses/seminars/conferences/workshops:
 1. Our official Participation Forms accurately filled in, with the signature of your thesis director and yours (available on our website)
 2. A copy of the certificates of successful participations by the organizers (e-mails accepted).
 3. A copy of the detailed programme for the events which are not part the official PhD programme in Life Science.
 4. For conferences/meetings/workshops: a copy of the abstract if any.
